## USE OF TITLE BY UNLICENSED PERSONS

California Code of Regulations, Title 16, Section 310.2, effective August 2001, prohibits individuals from practicing chiropractic unless they hold an active chiropractic license issued by the Board. Additionally, individuals may not advertise or promote, in any manner, the words “doctor” or “chiropractor”, or use the prefix “Dr.” or suffix “D.C.”, or engage in the practice of chiropractic without having a valid, unrevoked or unsurrendered license.

Failure to comply with this regulation is a violation of the Chiropractic Initiative Act.
